

February 16, 1978

SENATOR SAVAGE: Before we start the session, we'll probably start on General File this afternoon. At this time I want to introduce the Nebraska Council of Home Extension Clubs and the Nebraska Cooperative Extension Service. This is the third and fourth groups that we've had in here today. We've had the balcony full this morning. I understand this is the "Leap on Lincoln" group that comes in here every year. We want to welcome you to the Nebraska Legislature and to the Capitol. The Clerk has something to read into the record.

CLERK: Mr. President, your Committee on Enrollment and Review respectfully reports that we have carefully examined engrossed LB 406 and find the same correctly engrossed, LB 406A correctly engrossed. Mr. President, your Committee on Education, Chairman Senator F. Lewis, to whom was referred LB 375, instructs me to report the same to the Legislature with the recommendation it be advanced to General File with amendments, 741 advanced to General File with amendments, 743 advanced to General File, 779 advanced to General File, 803 advanced to General File with amendments, 889 advanced to General File, and 589 indefinitely postponed.

SENATOR SAVAGE: Is that all, Mr. Clerk?

CLERK: That's all I have, Mr. President.

SENATOR SAVAGE: We will now go to General File. Senator Warner, are you ready? LB 210.

CLERK: Mr. President, LB 210. Read title. The bill was originally read on January 17, 1977. It was referred to the Miscellaneous Subjects Committee. It was advanced to General File, Mr. President. I have a series of amendments pending. Senator Simon has a motion to bracket the bill until Monday, February 20.

SENATOR SAVAGE: Senator Simon? Senator Simon isn't here so we'll pass over that. Can't we? Senator Warner, Senator Simon has a motion to bracket the bill. He is excused. Do you wish to go on, regardless?

SENATOR WARNER: Mr. President, Senator Simon had indicated to me he was going to file such a motion. I said it was all right with me. Then, subsequently, I had visited with the Speaker and he had some concern about passing over so many bills and setting them later. I suppose Senator Simon, if he has amendments, if the bill is advanced, he could consider them on Select File. As far as I'm concerned I'm ready to go, although there are pending amendments up there by Senator DeCamp and I believe Senator Marvel, neither of which are here. Senator Bereuter has also, but he's here. We could take up part of them.

SENATOR SAVAGE: We'll do as you wish since others aren't present to defend themselves.

CLERK: Mr. President, I have amendments by Senator Marvel, who has been excused. I have amendments by Senator Koch, who is excused. Senator DeCamp. Mr. President, I have amendments offered by Senator Bereuter, which I understand he would like to withdraw.

SENATOR SAVAGE: For what purpose do you wish to be recognized, Senator Fowler?
